ANNUAL REPORT FOR THE YEAR 2019-2020

On the onset, I Iqbal Hayat Khan, Honorary General Secretary of Anjuman Mufidul Islam, Calcutta feel proud and honoured to be associated with an institution where the likes of Mr. Seth Ibrahim Mohammad Dupley, a great philanthropist of his time, along with Mr. Syed Md. Salahuddin, a reformer and social activist who established Anjuman Mufidul Islam, Calcutta way back in 1905.

In its glorious 116 (One hundred sixteen) years, Anjuman has had in its team people from the highest political and administrative echelons like Prince Gholam Mohammed Shah, Nawab Sir Samiullah Bahadur, Mr. A. K. Fazlul Haque, Mr. Shamsul Ulema, Dr. K. N. Katju, Dr. B. C. Roy and many others like them.

The promotion of friendship and fellow being among the different communities and providing religious and secular education as well as medical and financial help to the poor and downtrodden section of the society were among the noble objects of the Anjuman. But the most important and unique service of the Anjuman was founded of the burial of unclaimed dead bodies according to the Islamic Shariah. In fact Anjuman was a pioneer in the continent of Asia.

1. BURIALSECTION:

The unique service of Burial of unclaimed bodies according to the Islamic Shariah is appreciated by the public at large and this section is the most important section which was started from the early days of the Anjuman. The dead bodies are received from Morgues, Hospitals, Railway Platforms, and streets of Kolkata, Howrah & suburbs & Buried at the allotted block at Gobra-1. During the year under report 298 Muslim Dead bodies were collected/received & burial performed according to the Islamic Shariah.

Besides arranging the burial of dead bodies, the Anjuman also assists the public in the removal of dead bodies from Hospitals and Nursing Homes to different destinations including their residences and or to Graveyards. For carrying out this service there is only one hearse van which remains on standby round the clock.

The infrastructure at Gobra-1 is constantly in need of repair & maintainance cost is becoming dearer. As such it is my earnest appeal to the Anjuman members to engage members of the public in way of contribution on monthly basis, towards Kafan & Dafan The Hearse van also needs to be replaced as there are frequent breakdowns which becomes a setback in the service.

Again, I would appeal to the members to make a collective effort in funding the Anjuman to procure a new Hearse Van.

3. EDUCATION SECTION:

The Education Section is the second oldest section of Anjuman which is segregated in three sections.

1. Schools (Primary, Secondary and Higher Secondary)
2. Maktabas (Dini and Tablighi)
3. Vocational Training like Tailoring and Handicraft.
4. The Anjuman is in the process of opening a fourth section in the form of a Nurses Training Centre.
